Dear Congressman King,

New York's 2nd District Democrats, The National Organization for Women - New York, and Action Together Long Island (ATLI) would like to invite you to attend and participate in a *Women's Town Hall*, to be held on Sunday, May 7th, from 2:00pm - 5:00pm at Dominican Village in Amityville (565 Albany Avenue).

The purpose of this *Women's Town Hall* is to hold an open dialogue on the issues that directly impact the lives of your constituents. In particular, the women of your district are eager to hear from you on the core issues of healthcare, violence against women, the economy, the environment, and immigration policy.

As our Representative in Congress, we hope that you will make the time to hear our stories, answer our questions, and discuss the major concerns that the women of your district have about how the policies of the current administration are affecting us, our families, and our communities.

We very much look forward to your response.

Sincerely,

Liuba Grechen Shirley
